

## VITAE

**Rosemary Thackeray, Ph.D., M.P.H.**

### I. **CORRESPONDENCE**

Brigham Young University  
Department of Health Science  
2138 Life Sciences Building  
Provo, UT 84602  
(801) 422-1704  
rosemary\_thackeray@byu.edu

### II. **EDUCATION**

Ph.D.	2000	University of Utah, Department of Health Education & Promotion Dissertation: Evaluation of a social marketing campaign to increase fruit and vegetable consumption among adolescents.
M.P.H.	1996	University of Utah, Department of Family & Preventive Medicine
B.S.	1991	Utah State University, Department of Health, Physical Education, Recreation and Dance Major: Community Health Education Minor: Nutrition and Food Science

### III. **EMPLOYMENT EXPERIENCE**

#### A. **FULL-TIME EXPERIENCE**

Professor, Department of Health Science, College of Life Sciences, Brigham Young University, Provo, UT (August 2013- Present)

Teach undergraduate and graduate courses in research and evaluation methods; advise undergraduate and graduate public health students in course work and internships; serve on university and professional committees; and actively pursue scholarly works. Serve as associate department chair overseeing curriculum re-design (August 2015-present)

Associate Professor, Department of Health Science, College of Life Sciences, Brigham Young University, Provo, UT (August 2006- August 2013)

Teach undergraduate and graduate courses in social marketing and research methods; advise public health students in course work and internships; serve on university and professional committees; and actively pursue scholarly works.

ORISE Research Participant, National Center for Health Marketing, Marketing and Communication Strategy Branch, Centers for Disease Control and Prevention, Atlanta, GA  
(July 2006- May 2007; professional development leave/sabbatical)

Provide health marketing and communication technical assistance to Centers for Disease Control and Prevention centers, institutes and offices including National Center for Public Health Genomics, National Center for Environmental Health, National Institute for Occupational Safety and Health, and HIV Capacity Building Branch; assist with developing branch marketing plan; develop performance support tool for promoting health marketing products. Assist the research team in the Emergency Communication Branch with project design, data collection, and analysis.

Assistant Professor, Department of Health Science, College of Health and Human Performance, Brigham Young University, Provo, UT (August 2000-August 2006)

Teach undergraduate and graduate courses in health communication, women's health and research methods; advise public health students in course work and internships; serve on university and professional committees; and actively pursue scholarly works.

Public Health Program Manager, Physical Activity Program, Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (October 1997-August 2000)

Responsible for the development of a new public health program (physical activity). Determined program priorities and direction. Administered (plan, implement, coordinate, evaluate and maintain) physical activity interventions for Utahns. Administered and monitored program budget; supervised staff; acted as a technical consultant for physical activity. Coordinated a comprehensive school health initiative. Served as liaison to the Southwest Utah Public Health Department for development of a community coalition to address cardiovascular health.

Public Health Program Manager, Healthy Utah Program, Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (June 1996- October 1997; Interim, February 1996-June 1996)

Administered (plan, implement, coordinate, evaluate and maintain) a statewide worksite health promotion program for public employees; developed evaluations strategies; established relationships with insurance carriers; negotiated and managed contracts; determined program priorities and direction; facilitated staff in strategic planning; administered and monitored a \$475,000 program budget; supervised nine staff; acted as a technical consultant for worksite health promotion programs; provided public presentations and media communications.

Community Health Specialist III, Healthy Utah Program, Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (August 1994- June 1996)

Coordinated lifestyle assessment and education workshops for state and public employees; supervised part-time staff; coordinated staff meetings; developed, implemented, evaluated health promotion activities; wrote news releases; negotiated and managed contracts with local health departments; monitored local health department contract budgets; represented the program at annual open enrollment meetings; provided presentations to state and community groups.

Community Health Specialist II, Violence and Injury Prevention Program, Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (August 1993- August 1994)

Implemented and evaluated violence prevention programs. Provided consultation, expertise and coordination to other local agencies and community groups; surveyed, collected, interpreted and analyzed data to assess program priorities and needs; conducted teacher inservice training; provided presentations to school and community groups; developed educational materials.

Community Health Specialist I, Research and Development Program, Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (October 1992- August 1993)

Developed and conducted research and evaluation on health promotion activities; compiled statistics and assisted in computer analysis of data; conducted process and impact evaluations on local health department contracts; analyzed and compiled Behavioral Risk Factor Surveillance System (BRFSS) statistics; wrote BRFSS Summary Report and Trend Reports; developed and conducted surveys to determine implementation of *Strategic Plan 2000- Injury Prevention and Control*.

Community Health Technician, Healthy Utah Program, Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (May 1991- November 1992)

Assisted in developing, implementing and monitoring a statewide worksite health promotion program for state and public employees. Conducted lifestyle assessment testing (blood pressure, body fat, sub-maximal bike test, flexibility, curl-ups, height/weight). Provided group education presentations (fitness, nutrition, stress management, cholesterol, cardiovascular risk reduction, health risk appraisal). Assisted director in conducting process evaluations of program to monitor effectiveness and insure quality (development, restructuring, and evaluation of education sessions and materials; staff performance reviews). Supervised part-time staff members at workshops.

**B. PART-TIME EMPLOYMENT**

Coordinator, Utah Project LEAN (Low-Fat Eating for America Now), Bureau of Health Promotion, Utah Department of Health, Salt Lake City, UT (May 1991- September 1991)

Assisted director with Utah Project LEAN. Duties included: chairperson of a community coalition; program planning; developed and implemented a low-fat eating community education program; provided presentations to community groups; wrote news releases; participated as a guest in a radio talk show; prepared quarterly and final reports to Kaiser Family Foundation; conducted process evaluations with local health departments.

Health Educator, FHP Health Care, Salt Lake City, UT (August 1992- November 1992)

Provided individual patient education program services: fitness, nutrition, weight management, diabetes, alcohol, and smoking cessation.

Instructor, Slim For Life, American Heart Association, Salt Lake City, UT  
(October 1991- December 1992)

Taught a weight loss management program to community groups (15-20 individuals per quarter), including: behavioral modification, diet control and exercise program.

Health Educator, Salt Lake Community Health Centers, Salt Lake City, UT  
(October 1991- August 1992)

Provided individual patient education services on topics including physical activity, diabetes, smoking cessation, weight management, stress management, diet and weight loss. Editor of the employee newsletter; developed educational materials and community resource guides; assisted Director with Ryan White Title II/III Grant; maintained patient data files.
