KEY

-Highlighted and Italicized: Super related minors- **75% or more** of the minor requirements are completed with major classes. These minors only ever require **Part 1** of the Minor Request Form.

-Not Highlighted and Italicized: **50-75%** of the minor requirements are completed with major classes. These minors require only Part 1 of the form if the student is under **90 BYU credits**. If the student has **more than 90 BYU credits**, they need to fill out **Parts 1 & 2** of the Minor Request Form.
