Fall Biology + Pre-Med General Graduation Plan

*****This plan is designed for students completing their undergraduate degree in four years, entering medical school immediately after, and starting during a Fall Semester. Adjust course suggestions to fit your needs. If you have no AP/concurrent/transfer/language credits, you'll need to add 20 more credits to get the 120 you need to graduate. *****

PLEASE MEET WITH YOUR ADVISOR TO MAKE A PERSONALIZED CLASS PLAN

(Fall) Semester 1
Complete 14 hours

UNIV 101 - 2 credits
BIO 130 - 4 credits
CHEM 105 - 4 credits
**STDEV 272 - 1 credit
First Year Writing GE - 3 credits

(Winter) Semester 2
Complete 13 hours

CHEM 106 - 3 credits
CHEM 107 - 1 credit
MMBIO 240 - 3 credits
*MMBIO 241 - 1 credit
GE - 3 credits
Religion Class - 2 credits

(Fall) Semester 3
Complete 15 hours

PSYCH 111 - 3 credits
CHEM 351 - 3 credits
CELL 220 - 4 credits
GE - 3 credits
Religion Class - 2 credits

(Winter) Semester 4
Complete 14 hours

CELL 305 - 4 credits
CHEM 352 - 3 credits
CHEM 353 - 2 credits
GE - 3 credits
Religion Class - 2 credits

(Fall) Semester 5
Complete 15 hrs

PHSCS 105 - 3 credits
PHSCS 107 - 1 credit
CHEM 481 - 3 credits
GE - 3 credits
GE - 3 credits
Religion Class - 2 credits

(Winter) Semester 6
Complete 12 hours

PHSCS 106 - 3 credits
PHSCS 108 - 1 credit
