

# Life Sciences Minor Form

Minors can be a wonderful addition to a student's BYU educational experience. However, if not properly planned, a minor can extend a student's graduation longer than anticipated which may not only affect the student seeking the minor, but could also affect other students who desire a BYU experience.

All students seeking to add a minor are required to complete the Life Sciences Minor Form before a minor can be added. If adding a minor will require you to enroll in more than 8 fall/winter semesters, please include spring/summer classes in your plan. Please allow up to two weeks for the review process. You will be notified once your minor is approved or denied.

**You will need to petition to add a minor if you have:**

- Over 90 BYU credits (not including language challenge exam credits) OR
- A double major OR
- Already declared a minor previous to this one

<b>Part A: FOR ALL STUDENTS</b>	
Name _____	Date _____ ID # _____
Phone Number _____	Email _____
Are you an international student? Yes      No	Note: Adding a minor is not a valid reason to extend an I-20 form. If adding this minor will extend your time here past the date indicated on your I-20, it will be denied.
Major _____	Desired Minor _____
List any previously declared minors or second majors: _____	
What is your purpose for declaring this minor?	
If you have mostly completed the minor, what prevented you from declaring it sooner?	
<b>Part B: For PETITIONS AND UNRELATED MINORS. Complete this section <u>after completing the graduation plan on the back.</u></b>	
<b>Worksheet – Complete this step after completing the graduation plan</b>	
BYU total credits including this semester or term's registration.	_____
How many fall and winter semesters have you attended at BYU including the current semester if applicable (do not include spring and summer terms)?	_____
After this semester, how many additional credits are needed to graduate in your:	
GE	_____
Major	_____
Minor	_____
Additional Prerequisites	_____
Total Credits to graduate after this semester	_____
How many additional <b>spring and summer terms</b> do you plan on attending to complete your graduation requirements with the added minor?	_____
Including these minor requirements, how many more <b>fall and winter semesters</b> do you have left before you graduate?	_____
How many <b>total fall and winter semesters</b> will you take at BYU? (i.e. counting from your very first semester until you graduate)	_____
<b>OFFICIAL USE ONLY:</b>	
Approved: <input type="checkbox"/>	Related: <input type="checkbox"/>
Denied: <input type="checkbox"/>	Non-Related: <input type="checkbox"/>
Signature: _____	Petition: <input type="checkbox"/>

If adding a minor will require you to take more than 8 fall and winter semesters, you are expected to help make up for these credits by taking classes over the spring and summer terms.

**Part C: ONLY REQUIRED FOR PETITIONS**

I agree to graduate by \_\_\_\_\_. I understand that failure to graduate by this date may result in the removal of this minor from my records even if I have already completed the minor requirements. Students are welcome to talk to their advisor if concerns arise.
